

# SA Ranges GATHERING

June 11-12-13 2016

## Farina Campground - South Australia

This traditional **motorcycle** camping rally will be held on June 11 to 13 at Farina Campground - approximately 25 km north of Lyndhurst.

Farina, which means flour in Latin, was surveyed in 1878 as a wheat producing granary town. By 1882 the Central Australian Railway had reached Farina but poor rainfalls in the area meant no wheat was ever railed south. At its peak Farina had a general store, a brewery, a saddlery, an underground bakery, two hotels and a population of 600. The ruins of the old post office, one of the hotels and several other buildings can still be seen today.

The rally entry fee is \$20 and entitles you to a rally badge. Pay your own Camp Fees at the Gate. Campground facilities include toilets and showers. Fuel, drink and food supplies are available from the near by towns of Lyndhurst and Leigh Creek.

NEW TOPS ARE IN THE DESIGN STAGE and will be on sale.

Awards will be handed out on the Saturday night. **Loud music will not be tolerated.**

The most direct route to the rally is via Highway 83 to Lyndhurst followed by 25 km of **unsealed road** to Farina Campground. (See Rally Map.)

All rally profits are paid to "Guide Dogs Ass."
