On the weekend of the 2<sup>nd</sup> Saturday in September the "High Plains Rally" will be held at Talbotville, approx. 32km. from Dargo, in the North Eastern Highlands of Victoria. Talbotville was a thriving gold rush town in the 1860's and is now unpopulated. The 17km road between Dargo and the Grant Road turn-off is bitumen. The 15km track between the Grant Road turn-off and Talbotville is dirt. If you are a "first timer" for this rally, you may wish to arrange for a group ride in with some of our experienced members.

- Rally badges will be provided for entrants and a limited number on the day.
- Trophies: # Longest distance male. # Longest distance female. # Best club attendance. # Highest combined age, rider and machine. (Entrants for trophies should nominate on arrival.)
- Facilities: Fresh river running water is at rally site. Limited firewood is provided.
- Petrol, food and drinks are available at Dargo town centre.

We request that visitors to this area take out all their own rubbish.

For this year, we will have our famous Dim Sims available on site.
